Q1 Your Name

Karl Desch

Q2 Do you work for a laboratory that offers fee-for-service testing related to the work of your Expert Panel? **No**

Q3 Have you made substantial contributions to the literature implicating a gene:disease relationship that relates to the work of your Expert Panel? **Yes,**
If yes, please list the genes::
Genome-wide association studies linking variants in VWF to variations in plasma concentrations.

Q4 Do you have any other existing or planned independent curation efforts that will potentially overlap with the scope of your ClinGen work? If so, please describe:

No.

Q5 Please disclose any other relevant conflicts of interest (e.g. patents, intellectual property ownership, or paid consultancies related to any variants or genes associated with the work of your Expert Panel):

No conflicts to report.
